Declaration

I understand and agree with the following statements:

1. I anticipate that I will complete my teacher education program, qualify for the award of my teacher education program and meet the Board of Studies, Teaching and Educational Standards' (BOSTES) and the Department of Education's academic requirements for employment as a secondary mathematics or science (physics) teacher, by the end of Semester 1, 2016 (mid-year graduates) or by the end of Semester 2, 2016 (end of year graduates).
2. I agree not to delete any of my current location preferences selected as part of my Graduate Recruitment Program application, after I submit this application.
3. I understand that an offer of an Incentive Scholarship is conditional on me fulfilling all recruitment requirements by the end of Semester 1, 2016 (mid-year graduates) or by the end of Semester 2, 2016 (end of year graduates) (including a Working with Children Check, successful personal suitability interview, [Professional English Assessment for Teachers \(PEAT\)](#) [if applicable], and provision of all required supporting documents).
4. I understand that if I am offered an Incentive Scholarship I will need to enter into a Deed of Agreement with the Department of Education to work for three consecutive years as a full time secondary mathematics or science (physics) teacher in a NSW public school.
5. I understand that my teaching appointment may be initially above establishment in one of my chosen locations until a suitable substantive vacancy arises. (An above establishment teacher is a permanent teacher who has not yet been appointed to a substantive position.)
6. I understand that if I fail to fulfil the terms of the Deed of Agreement I am required to repay the Department for any monies paid to me as part of the Incentive Scholarship.

Name:

Signature: Date:

Forward your completed Expression of Interest by **27 May 2016** (mid-year graduates) or **23 September 2016** (end of year graduates) attention to:
